

New! Custom-Blended House Teas!

We are delighted to announce a new line of custom-blended teas made just for us by local tea purveyor
Tea For All Reasons.

In celebration of our 2nd Anniversary throughout the month of June, we proudly introduce these 2 blends:

Crest Hill Blend

A hearty China black tea, flavored with blueberries and lilac petals. Excellent with milk and sugar, or dark with lemon.

A fine black tea, mildly flavored with notes of mango, peach and watermelon. Light, bright and refreshing, both hot and iced.

Sally's Blend

In future months, look for additional new custom house blends ~ and if you have a favorite tea, please let us know!
